I think maybe you wrote in with "I'm having that problem, too," but maybe your problem is different. You apparently have a Fender Passport 300 Pro, which is a very different unit that only uses two speakers. First, if you are not using this in the United States, what kind of voltage is the AC power? In the US, it's 110 volts.

### **REVIEW: Fender Passport Pro 500 Speakers**

Following on from my original review of the Fender Pasport Pro 300 posted on this site back in November 2012. I originally bought the little Passport 300 to act as PA for my vocals and an acoustic guitar (played by A N Other). It was a great solution but following some "artistic differences" things have now taken a different direction.
