RE: Driven: bike-engined Fiat 126 Bis - Page 1 - General ...

To most common choice is putting Fiat engine (899, 1108, 1,2) in 126. Of course you can swap every engine into 126 chassis if you have enough skills and/or money, but there's a few problems: - weight of engine- 126 is not good balanced car, and if you put there big, heavy engine on the back of the car, it will be worst
