### Fender Mustang Floor Multi-Effects Pedal User Reviews ...

Just (yesterday) bought the Mustang floorboard. Nice looking and sounding but I had some problems already with it, i think it's the software. On the first day i used it, the board ididn't switch properly, the "bank down" knob didn't work, to bank down i had to press the 0 preset button so u can't use the 0 preset an also the 2 preset button didn't work.
