The second incarnation of the Cortina was designed by Roy Haynes, and released in 1966, four years after the original Cortina.. Again, a Lotus version was produced (this time done in-house at Ford) but the most admired was the 1600E that came out in late 1967.. The engines were at first carried over, but for 1967, they received a new crossflow cylinder head design, making them more efficient.
