Factory Manual Bought

Bought a VW manual from Factory-manuals.com and while there was some issues it was not the fault of Factory-manuals. PayPal took forever to pay and when I inquired about my manual I received a very prompt reply informing me that payment hadn't yet been received. Looked up my Paypal account and sure enough payment was still pending.

Factory Manuals

Factory Manuals compiles the online Service Manual Database into a perfectly organized PDF that behaves just like the online Ford database. You could do this yourself I suppose but it would take days and not be nearly this organized. When I get a new vehicle the first thing I will do is buy a Service Manual from Factory Manuals.
