Amazon.com: manual treadmill foldable

In this category, we rate the Exerpeutic 100XL Manual Treadmill (Est. \$160) as the best choice. As with all manual treadmills, it gets lackluster reviews from owners, but better than other manual treadmills in general. It has a maximum user weight limit of 260 pounds, but owners at that upper limit warn that it won't hold up.

Flat Folding Treadmill - sears.com

Folding treadmills, also known as fold-up, fold-away, foldable, have come a long way over the years. While the quality has improved, most folding treadmills are naturally less stable than non-folding treadmills due to the nature of the design of their folding frames. This is not to say they are unstable, they just do not stack [...]
