Jazz Bass - Fender

In 1960 Fender created another revolutionary instrument, the Jazz Bass®. With its offset waist, two pickups and narrow neck, the Jazz Bass was sonically versatile, faster playing, and soon became the standard by which all other bass guitars were measured. Fender basses became the most recorded basses on the planet and they

I just got a used Jazz bass 24 made in Korea. It has 4 controls and 1 switch showing. One of the controls is a double control with a switch. This is an active bass guitar. Was wondering if anyone had a copy of manual for it they can email or send me to a site that has one. I do not know exactly what the controls do for the most part.

Here are my current observations. Before I do that, we must keep in mind that I like to play Fender instruments. I am not associated with Fender in any way and I sell Caterpillar Tractors for a living and do not make a living with my bass, nor do I play in a band (anymore) as I just want to enjoy the music I follow along with on the recordings.
