A thermal laminator can, in many cases, be used for cold laminating as well, if the machine has that feature option. Cold laminating is sometimes used for sensitive documents, such as photos. If cold laminating is all you do, use self adhesive laminating sheets without a laminating machine. However laminators, even for the cold process deliver ...

Choosing A Laminator - Fellowes®

through the machine. 'Always put item in a pouch. Never laminate an empty pouch. Trim excess pouch material from around your item after laminating and cooling. Clean laminator rollers with Fellowes roller wipes (item #5703702) after 15-20 laminations to guarantee optimum laminating results. For further details, please see "maintenance" section.
