The Fire Engine Book (Little Golden Book): Tibor Gergely ...

The book features great illustrations of different types of firetrucks, ambulances, and the fire-chief. This book is actually very informational and I learned a lot from reading it. It'd be good as a beginning reader book because the words are very easy and the illustrations help the reader understand the book better.

Fire Engines by Anne Rockwell - Goodreads — Share book ...

A fire engine (also known in some territories as a fire apparatus, fire truck, or fire appliance) is a vehicle designed primarily for firefighting operations. In addition, many fire departments often employ their vehicles for various other uses including emergency medical services and rescue ...

The Fire Engine Book - Walmart.com

It was not until the development of better pumps, combined with the use of flexible hoses, that fire engines began to be truly effective in fighting fires. Now children and adults alike can enjoy learning about the history of fire engines and have fun coloring at the same time.

History of Fire Engines Coloring Book - Dover Books

A fire engine (also known in some territories as a fire truck or fire appliance) is a vehicle designed primarily for firefighting operations. The terms "fire engine" and "fire truck" are often used interchangeably; however in some fire departments/fire services they refer to separate and specific types of vehicle.

Fire engine - Wikipedia

I'm always thinking of book lists to create and this one came together as I was looking at a stack of books we had just finished reading last week. Lately, we've been reading lots of books about fire trucks and pretend playing with lots of fire engines. It's pretty timely since October is Fire Prevention Month.

Books About Fire Trucks - Growing Book by Book

Perhaps my favorite thing about this book are the details in the illustrations by Viviana Garofoli, the soot on the faces of the rescued and firefighters, the unique angles used in the illustrations and the fun colors. Great book! The Little Fire Engine by Lois Lenski is a simple little book about a fire engine that goes to put out fires ...
