The Fender Passport 500 Pro is a portable PA system that has a clear sound and worked well for all of our live applications. It is an 8 channel system that allows you to record your live performances right to a USB drive, it does record in a high quality too. This was one of the main reasons that I decided to purchase this system.

I play in a small blues band and recently purchased the Passport Pro 500 to use at smaller venues where I couldn't fit my main PA. I really liked the sound of the Passport and decided to start using it as the monitor system for my main PA setup at larger gigs. Basically I run the monitor send from my mixer to the mono plug on channel 7.
