Unable to Connect. We're currently unable to connect to your live draft. If your draft hasn't started yet, then don't worry: The Draft Assistant w/ Sync will be available once your draft begins.

### Draft Simulator

A draft is a process used in some countries and sports to allocate certain players to teams. In a draft, teams take turns selecting from a pool of eligible players. When a team selects a player, the team receives exclusive rights to sign that player to a contract, and no other team in the league may sign the player.
